FUNDRAISING UPDATE

Thanks for all the great ideas! The sports teachers and I discussed all the ideas you gave us and a few other ones. Here's the fundraising plan that we came up with for this year:

- Year 7: You're going to sell chocolate bars. We're going to order them from Charlie's Chocolates. They cost 50p each. Mr Campbell, the basketball teacher, is going to give you more information on Thursday.
- Year 8: You're going to sell water bottles with our school name and logo on them. The bottles cost £2.50 each. Miss Carpenter, the tennis teacher, is going to tell you more about it tomorrow after lunch.
- Year 9: You're going to have a dance and sell tickets to it. It's going to be in the school hall on Saturday night, 8th May. Ms Richards and Mr Benson, the football coaches, are going to meet you in the cafeteria next Tuesday before lunch to talk more about it.
- Year 10: You're going to have a cake sale. Mrs Fenton, the school nurse, is going to meet you this Friday, in the Year 10 common room, to give you more information.

We're all looking forward to this year's fundraising events. We know they're going to be a big success!

HELPING OTHERS

1

Read about how children are helping others. Answer the questions with a partner. Then listen and check.

- 1 **Cupcakes for Cancer** Thirteen-year-old Blakely Colvin had a friend with leukemia, a kind of cancer. Blakely wanted to help her ill friend. What could she do? She decided to sell cupcakes after school. She sold her cupcakes for 50p each and, with the help of friends, they raised £1,800 in six weeks.

On average, how many cupcakes did Blakely and her friends bake every day?

- 2 **Creative Children for Charity** Chirag Vedullapalli wanted to do something to help others. He always loved to paint and draw. When he was nine years old, he decided he could sell his artwork and donate the money to a local children's hospital in Seattle, Washington, a big city on the west coast of the USA. Chirag's friends loved the idea, too. Chirag and ten of his friends each created one piece of art. They sold them for £10 each.

How much money did Chirag and his friends raise for the children's hospital?

- 3 **Biking for America** When Joseph Machado was 13 years old, he decided he could help children who are less fortunate and could do what he likes best, too – bike riding. He created Biking for America. Joseph rode his bike from California to Washington, DC, raising money along the way. Joseph rode his bike 120 kilometres a day for 39 days.

In total, how many kilometres did Joseph ride?

I like chocolate! Let's have a cake sale. We could sell chocolate cake, brownies and chocolate chip cookies. I'm getting hungry!

We could have a dance. My brother's class did that at his secondary school and they made a lot of money.

Yes, we could make something, like T-shirts with the name of our school on them. And then we could sell them on the school website.

lscott said

I've got a good idea! Why don't we have a 5 km fun run around the town? It could end on our school sports field and we could charge an entry fee and sell our school T-shirts, too.

At my junior school, we had a basketball shoot-out to raise money. Children had to pay to shoot ten balls and the person with the best score in each class got a prize. It was such fun!

Listen and read. What are the raffle winners going to get?

Vicky: Let's talk about how we're going to raise money for our class trip. Any ideas?

Tanya: I've got an idea. We could all make something to sell.

Vicky: Like what?

Tanya: Well, we all like art. I like painting, you're good at sculpture and Susie likes taking photos...

Caroline: So we could have an art exhibition here at the school.

Tanya: Yes!

Vicky: Wait a minute. Are people really going to buy our things? I'm not so sure.

Caroline: Well, we could sell tickets to the exhibition. You know, raffle tickets.

Vicky: Oh, I see. We sell raffle tickets and we pick the winners at the exhibition. The winners take home the art!

Tanya: That sounds like a good idea! Let's tell the class.
